Dear Ms. Webber:

Congratulations on being inducted as a member of the White Coat Society of the Women & Children's Hospital of Buffalo Foundation. Your generosity supporting the Women and Children's Hospital is appreciated and will be recognized at a reception on Thursday, May 24, 2012 at the Gates Vascular Institute, 875 Ellicott Street, 5:00 p.m. to 7:00 p.m. An invitation, with additional information, will follow.

The effort to transform Buffalo into a world-class health care destination is being led, in addition to Kaleida, by collaboration with the University of Buffalo School of Medicine, Buffalo Niagara Medical Campus, ECMC, Roswell Park Cancer Institute, physicians, as well as the business and corporate community. You are helping to make this transformation possible.

Thank you once again for your ongoing support.

Sincerely,

Elsie Dawe  
Vice President, Foundations
